EdOptions™ Stars Suite® Wins 2009 Best Educational Software Award

Arlington, VA, April 20, 2009 – [EdOptions™](http://www.edoptions.com/) (<http://www.edoptions.com/>), an education technology firm, announced today that its [Stars Suite®](http://www.edoptions.com/products/stars/index.html) software (<http://www.edoptions.com/products/stars/index.html>) was awarded a 2009 Best Educational Software Award (BESSIE) by [ComputED Learning Center](http://www.computedgazette.com/) (<http://www.computedgazette.com/>), San Diego's leading computer education resource.

The BESSIE Awards, hosted by ComputED Learning Center, target innovative and content-rich programs and websites which provide parents and teachers the technology to foster educational excellence. Winners are selected from titles submitted by software publishers around the world.

The Stars Suite software won for its innovative and user-friendly multi-subject website which provides school systems nationwide with [rigorous curriculum](http://www.edoptions.com/products/stars/curriculum.html) (<http://www.edoptions.com/products/stars/curriculum.html>), [adaptive technology](http://www.edoptions.com/products/stars/technology.html) (<http://www.edoptions.com/products/stars/technology.html>) and superior customer service. Its Web-based tools help sixth through 12th-graders and adult learners recover credit, prepare for high school or the GED, and study for state exit exams.
